EDUCATION

Stanford University

B.S. Design, Physical + Manufacturing Track; Minor in Spanish **4.025**

Stanford, CA

Sep 2024 - Jun 2028

PROFESSIONAL EXPERIENCE

PalCare

Milwaukee, WI

Product Design Intern

Jun 2026 – Sep 2026

- Led industrial design and mechanical concepting for Roam V2, a screenless wearable emergency-response device for senior living, taking the product from competitive research to a CAD-ready form factor
- Built a configured-design CAD architecture in Autodesk Fusion spanning three form-factor families, enabling side-by-side variant review and rapid dimensional iteration
- Delivered weekly design reviews to the COO, translating engineering constraints into decision-ready recommendations
- Ran stakeholder interviews with the CEO, Chief of Sales, and engineering leads to define product requirements

Kid Biz Boutique

Dallas, TX

Sales Associate

Jun 2025 – Sep 2025

- Provided attentive customer service to families, ensuring a welcoming shopping experience for parents and children
- Maintained organized and visually appealing store displays, supporting seasonal and promotional campaigns
- Handled point-of-sale transactions accurately and efficiently in a boutique retail environment

Free People Movement

Dallas, TX

Sales Associate

Jun 2025 – Sep 2025

- Supported daily store operations, including merchandising, restocking, and maintaining visually appealing displays
- Processed transactions efficiently while balancing high-volume foot traffic and attentive customer service

Dr. Alexandra Dresel, M.D., General Surgery

Dallas, TX

Administrative Assistant

Jun 2024 – Sep 2024

- Provided friendly and efficient front-desk service, ensuring a welcoming experience for patients
- Distributed and processed paperwork
- Took insurance information and entered into computer

InductEV

Philadelphia, PA

Summer Intern

July 2024

- Conducted cost-benefit analysis of electric charging infrastructure in ports
- Shadowed engineers and business executives
- Presented findings to executives

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

The Design Kids

Stanford, CA

Project Member

Sep 2025 - Present

- Conduct user research and needfinding to identify key pain points in video-based learning platforms
- Synthesize research findings into actionable insights to guide product development for Aardvark Labs' digital learning tools

Kappa Alpha Theta Sorority

Stanford, CA

Archivist & Thetabreakers Fundraiser Publicity Lead

Apr 2025 - Present

- Served as chapter archivist for 2026; produced and published the chapter yearbook end to end: content curation, layout, vendor sourcing, and print order fulfillment
- Lead publicity for Thetabreakers, the chapter's annual philanthropy fundraiser supporting CASA, directing a team of 20 toward a \$40,000 fundraising goal

Stanford Women in Medicine

Stanford, CA

Media and Marketing Intern

Oct 2024 - June 2025

- Created graphics and flyers publicizing events
- Managed social media accounts and email lists to enhance engagement
- Collaborated with team members to create marketing strategies that reflect the organization's identity and mission

Stanford Club Lacrosse

Stanford, CA

Player

Oct 2024 - Present

- Compete in regional club lacrosse tournaments and weekly games
- Attend biweekly practices to improve skills and team coordination
